Subject : Contract No. 605
Task Orders No. 1, 2, 3, 4, & 5

Gentlemen:

Reference is made to your letter dated October 20, 1958, concerning the adoption of an extended work week of 48 hours in your Research and Development Division at [redacted] effective October 16, 1958, for an indefinite period.

25X1

This is to advise that it has been administratively determined that an extended work week of 48 hours in your Research and Development Division at [redacted] will be of material benefit to the Government under the subject task orders.

25X1

Accordingly, for the convenience of the Government, the following approval is hereby granted to your office, in accordance with applicable provisions of the subject contract:

"In the performance of the work called for under the subject task orders, the Contractor is hereby authorized to work 48 hours per week and the premium portion of such overtime wage payments shall be an allowable cost thereunder. Any overtime premium in excess of that specified above shall not be allowed unless approved by the Contracting Officer."

The approval to work overtime and to charge the cost thereof to the task orders cited above is granted with the understanding that the allocation of this expense will not require an increase in the previously approved total estimated cost for each task. It is authorized with the further understanding that the premium portion thereof will be charged in accordance with your consistent established accounting policy.
